On October 26, 1994, Edmonson County Water District ("Edmonson Water") filed an application for a Certificate of Public Convenience and Necessity to construct a \$919,399 waterworks improvement project and for approval of its plan of financing for this project. This project will provide service to 185 additional customers. Project funding includes an \$860,000 bond issue to be purchased pursuant to an agreement with Farmers Home Administration ("FmHA"), \$29,399 in Edmonson Water Funds, and \$30,000 from applicants for service in the proposed project area. The bonds will be financed for a 40-year period from the date of the bonds at an interest rate of 5 percent per annum.

Edmonson Water's application was made pursuant to KRS 278.023 which requires the Commission to accept agreements between water districts and FmHA and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of the minimum filing requirements. Given that minimum

If the level of service is inadequate or declining or the pressure to any customer falls outside the requirements of 807 KAR 5:066, Section 5(1), Edmonson Water shall take immediate action to bring the system into compliance with Commission regulations.

Nothing contained herein shall be deemed a warranty of the Commonwealth of Kentucky, or any agency thereof, of the financing herein accepted.
